- Thank you for your prayers and support during our exciting adventure to Black Lake last week! Our goal was to have your child return feeling closer to their classmates, full of new knowledge about outdoor survival skills and to have a better understanding and appreciation towards God and Creation.
- The spring concert is Tuesday, May 22nd, and it's approaching quickly for our students. All 6th grade students must report to the classroom at 6:20. I will be sending them to the band room to warm up and will pick them up again at 6:40 to take them to the Main Auditorium. Parents can pick their students up in the 6th grade classroom after the performance.
- Happy Mother's Day to all of you wonderful mothers! I get to hear about a lot of you in class and I can tell how much you are loved and appreciated. ☺ I got to see my mother this weekend in Vancouver, WA.
