**Language Arts** In class, we are studying blends and one and two vowel words. Special sounds are a big part of our reading and phonic lessons. We are marking vowels and special sounds are circled as part of our curriculum and in their readers.

**Writing:** We are reviewing letters and practicing writing sentences, especially by writing the weekly Bible verse.

**READING:** Continue to sign and date reading log tags nightly on the back of the student Bibles. Some students are now into Books 1-7 and they will be tested weekly for advancement. Abeka reader are being tested, too!

The RCS office is sending home a series of Summer ABEKA readers "Reading For Fun" for purchase. They are review of our books A-L. A second choice if you feel your child is an advanced reader is to employ weekly trips to the library to check out books to read during the summer.
