

Renton Christian School's 13th Annual Auction

Dear Business Community:

Each year Renton Christian School (RCS) continues to be a well-respected private school in our community. This happens in large part due to the help of our supporters with their time and resources. RCS offers classes from Kindergarten Prep through Eighth Grade. Founded in 1979, RCS is celebrating its 30-year anniversary. The school is non-profit, inter-denominational, and dedicated to the provision of academic excellence at an affordable value.

Due to the generous donations from past years supporters, RCS has been able to upgrade technology campus-wide with computer towers, monitors and laptops, in the classrooms, and in the computer lab. We purchased Smart Boards for many classrooms as well. A covered play area is now being completed from funds raised at a previous auction. Our goal for the 2010 auction is \$50,000. These monies will be directed towards our campus development fund which provides the necessary finances for an enhanced playground, soccer field and remodeled gymnasium. Each of these campus improvements will benefit our students tremendously.

Since the success of Renton Christian relies upon the continued support of area businesses, we ask that you please consider a donation of merchandise, services, or gift certificates to be auctioned at our 2010 auction held at Renton Christian School on April 23rd. Your contribution will allow us to continue our goal of serving our students, while providing you with an excellent advertising opportunity that will reach the 300+ expected attendees and the past and present parents of over 500 students. To support this effort, please record your donation on the **Procurement Form** provided and return it to Renton Christian School.

We also need the support of local businesses to underwrite the cost of the auction. If you would like to be a sponsor, please complete the **Sponsorships & Ads** section of the **Procurement Form** and return it to Renton Christian School. The level of advertisement is based on the level of sponsorship. This auction is a major vehicle for our school to generate the funds necessary for us to continue to be a quality and educational institution in our community. As a private school, RCS receives no government funding. Tuition costs merely cover our annual operating expenses. But in order to enhance our school facilities, we need to raise additional funds. Your support of our program has a major impact on our success, and we thank you for your consideration. If you want to know more about Renton Christian, do not hesitate to visit our website at: rentonchristian.org or call the school office to speak with our Head of School (425-226-0820).

Sincerely,

Karla Sperber
