

PTF MEMBERSHIP INFORMATION

July 31st 2016

Dear RCS Parents,

Thank you for your interest in serving the Renton Christian School community as a member of the PTF (Parent-Teacher Fellowship). The primary purpose of the PTF is to support and bless the teachers, staff, administration, and students throughout the school year. This is accomplished by coordinating fundraisers, fostering communication, promoting school events, and a host of other items. While the involvement of the entire school community is needed to ensure successful events, only a few people are needed to coordinate them. That's the function of the PTF!

Please review the following qualifications for PTF members:

- Profess salvation in Jesus Christ which is readily evident to those who know you.
- Be a parent in good standing at Renton Christian School.
- Currently have a child attending RCS (2016-17 school year) and have registered a child for the upcoming school year at RCS.
- Does not have a spouse or other family member on the full-time staff or full-time teaching faculty. Any exceptions must be approved by a vote of current PTF officers as well as approval from the RCS Board of Directors.
- Have a current "approved" school background check on file.

In addition to the qualifications listed above, attendance at the following is also expected:

- Monthly PTF meetings, general PTF meetings, and PTF sponsored events
- PTF fundraisers
- Meet Your Teacher Day BBQ, Christmas Luncheon
