

Mr. Lambert's  
Classroom Expectations (1<sup>st</sup> – 5th grade)  
Subject: Physical Education

1. Be on time and prepared (go directly to your squad area and be ready for P.E.)
2. Be quiet listeners while the teacher is talking (talking at a low level will be permitted if the teacher grants permission).
3. Speak only when called upon (raise your hand if you have a question).
4. Be respectful to the teacher and students (treat others as you would like to be treated, and respect your classmate's property).
5. No eating or gum chewing.
6. When it is time to leave, remain in your squad until you are dismissed.

In addition, I expect each student to give 100 percent effort when participating in Physical Education. Every student is blessed with different abilities and I take that into consideration when I am grading. I do not want students to compare themselves to others when conducting the skills learned in class. Effort overrides how well you perform a skill in my classes.
