

...the 3/4 journey

#32 May 20, 2019

Thank you for continuing to check RenWeb to keep track of your child's progress in these last few weeks. There will be some changes in routine because of practice for the spring concert. Please encourage your child to continue to do her/his best. It's easy to 'check out' early but we can partner together to make sure everyone finishes the year in the strongest way possible.

Math: 3rd grade will have a test on multiplication with double digit factors before beginning another chapter on long division. 4th grade will be working on negative numbers.

Spelling: L.31 is due Friday. Pre-test is on Wednesday.

Reading: We will continue with The One and Only Ivan.

Bible: After the test on Tuesday we will start a unit on the early Church.

English: Please keep an eye out for the poetry the amazing 3rd/4th graders wrote for our last unit. They will illustrate them this week. We will continue to work on adjectives/adverbs.

History: 3rd graders will be working on the Civil War this week. It's the final chapter in our history book and everyone is looking forward to finishing well. 4th graders will start working on Ch. 11 on WWII.

Science: Toward the end of the week the 3rd and 4th graders will start a unit on force and energy.

Important Dates

May 22: **4th grade** trip to Olympia

May 24: **Spirit Day** - red white and blue instead of uniforms

May 27: **Memorial Day holiday** - no school

May 30: **Spring Concert 7:00 p.m.**

Message from Mrs. Turner re:
Spring Concert Dress

Spring Concert dress code for this year is according to your native culture. If you are unsure what to wear, come in red, white and blue, formal spring wear.

Remember: the concert dress code aligns with the RCS free dress day guidelines. Please cover shoulders (no tanks - sweaters over tanks) and make sure dress lengths are knee length.
